

# More treble clef notes

Treble clef notes, on the space - these spell a word - the word is FACE! Now you know FACE in the space, any other note - you can find its place!

1. Name these treble clef notes.

Rufus and I start at middle C, because it sounds exactly the same on both instruments. It's a low note for Rufus, but not so low for me!

2. Draw middle C in the treble clef and alto clef:
